## RECENT EXPERIENCE

### Grays Harbor College, Aberdeen, WA — Art TA

September 2024 - June 2025

- Coordinated logistics for the **annual student art show**, including exhibit setup, scheduling, and maintaining professional display standards; collaborated closely with the lead professor to ensure high-quality presentation.
- **Managed art studio operations** by organizing and replenishing supplies, maintaining inventory, and ensuring a safe, efficient workspace for 50+ students.
- Used **Excel and digital tools** to track art show submissions, organize data, and prepare reports for faculty review, improving efficiency of the event-planning process.

### Pepsi Northwest Beverage LLC, Lacey, WA — Production Operator

March 2023 - September 2023

- Work in a high-speed manufacturing environment as part of a team
- Prepare documentation detailing work
- Read and understand the standards of operations and workflow
- Frequently lift 5-60 lbs with the ability to move freely
- Operate manufacturing equipment that supplies raw materials to production
- Frequently communicate about product status
- Perform basic troubleshooting and inspection
- Clean equipment and work space during and after shift
